Dear Colleagues:

First of all, let me thank each one of you for your active support and help in the examination/evaluation process. Declaration of results in a time-bound manner is the ultimate goal and the University of Delhi is committed to the same. To this context, I appeal to all colleagues to please report to the evaluation center for evaluation of the script, all the teachers who have taught a course are an examiner, so everyone MUST report to the Central Evaluation Centre (CEC) [Listed below].

Please note that evaluation will start from the 5th day of examination of the said paper, so report to the evaluation center accordingly.

It may be noted that every evaluator should evaluate 100 scripts or the ratio of a total number of scripts divided by total number of evaluators, whichever is higher. The evaluation timeline is as below:

1. Up to 50 answer scripts - 3 days
2. 50 - 100 answer scripts - 4 days
3. More Than 100 answer scripts - @ 25 copies per day

All the CECs are requested to adhere to the timeline and keep the examination branch updated about the progress of evaluation on a daily basis.

Help and cooperation of all the concerned will be truly appreciated and it will help us to declare results on time.

Sincerely,

Dean Examinations

Sir/Madam,

We are thankful to you for extending your cooperation in successfully conducting the previous examinations. Now we are gearing up to conduct the semester/year examination session Nov-Dec 2023.

To help the college in providing us a correct data of teachers who will be involved in the evaluation process of Session Nov-Dec 2023, we have created a link where all the required information can be filled.

Once the information is saved the teacher will get an email for the **verification** of the information entered by the colleges. All the teachers requested to verify all the details filled by the colleges specially email ID, mobile No & **papers** taught (including UPC). The **verification** of the data by concerned teacher is essential and college can keep on track on the **verification** done by the teachers. You are requested to follow-up with **verification** process by the teachers and help them verify their details. All the teachers involved in teaching of a particular course suppose to be involved in the evaluation process.

In case the teacher who is assigned by the college is not able to evaluate the answer scripts on portal then for any reasons, it will be the responsibility of the college to provide us an alternative examiners.

Use the following link to add/update/verify teacher's information:

Your Teacher ID: **T080186**

http://durslt.du.ac.in/DU_Online_TDB/Teachers_DB/TeachersPortal/Login.aspx

For teacher there will be some mandatory field which must be filled to ensure smooth login for teacher to verify their details.

The teachers information update portal will be closed one week prior to the commencement of examination and no information can be update at a later stage.

Your help and cooperation will be truly appreciated.

Regards

Dear Colleagues,

You have been appointed as Convener/Examiner of the paper for II/IV/VI Semester of B.Sc. (H) Physics/B.Sc. Prog. to be held in May/June 2023. The deadline for submitting the question paper sets is **April 25, 2023.**

It may be noted that as per the University ordinances, it is mandatory for a teacher to perform the assigned examination duty. It has been observed that some teachers decline the examination duty at the last moment without giving any serious reason (and relevant documents such as medical papers or approved leave from the College etc.) which undermines the examination process. If any examiner refuses, then he has to inform the Head of the Department and the Dean of Examination (Email..dean_exam@du.ac.in) by e-mail within 1 day with valid reason and associated documents.

Sir/Madam,

We are thankful to you for extending your cooperation in successfully conducting the previous examinations. Now we are gearing up to conduct the semester/year examination session Nov-Dec 2023.

To help the college in providing us a correct data of teachers who will be involved in the evaluation process of Session Nov-Dec 2023, we have created a link where all the required information can be filled.

Once the information is saved the teacher will get an email for the **verification** of the information entered by the colleges. All the teachers requested to verify all the details filled by the colleges specially email ID, mobile No & **papers** taught (including UPC). The **verification** of the data by concerned teacher is essential and college can keep on track on the **verification** done by the teachers. You are requested to follow-up with **verification** process by the teachers and help them verify their details. All the teachers involved in teaching of a particular course suppose to be involved in the evaluation process.

In case the teacher who is assigned by the college is not able to evaluate the answer scripts on portal then for any reasons, it will be the responsibility of the college to provide us an alternative examiners.

Use the following link to add/update/verify teacher's information:

Your Teacher ID: **T080186**

http://durslt.du.ac.in/DU_Online_TDB/Teachers_DB/TeachersPortal/Login.aspx

For teacher there will be some mandatory field which must be filled to ensure smooth login for teacher to verify their details.

The teachers information update portal will be closed one week prior to the commencement of examination and no information can be update at a later stage.

Your help and cooperation will be truly appreciated.

Dear Colleagues,

You have been appointed as Convener/Examiner of the paper for II/IV/VI Semester of B.Sc. (H) Physics/B.Sc. Prog. to be held in May/June 2023. The deadline for submitting the question paper sets is **April 25, 2023.**

It may be noted that as per the University ordinances, it is mandatory for a teacher to perform the assigned examination duty. It has been observed that some teachers decline the examination duty at the last moment without giving any serious reason (and relevant documents such as medical papers or approved leave from the College etc.) which undermines the examination process. If any examiner refuses, then he has to inform the Head of the Department and the Dean of Examination (Email..dean_exam@du.ac.in) by e-mail within 1 day with valid reason and associated documents.

Subject: URGENT: Appointment as Examiner for B.Sc.(Hons.)Physics/B.Sc. (Prog.) Theory Examination_May_June_2023

Dear Colleagues,

You have been appointed as Convener/Examiner of the paper for II/IV/VI Semester of B.Sc. (H) Physics/B.Sc. Prog. to be held in May/June 2023. The deadline for submitting the question paper sets is **April 25, 2023.**

It may be noted that as per the University ordinances, it is mandatory for a teacher to perform the assigned examination duty. It has been observed that some teachers decline the examination duty at the last moment without giving any serious reason (and relevant documents such as medical papers or approved leave from the College etc.) which undermines the examination process. If any examiner refuses, then he has to inform the Head of the Department and the Dean of Examination (Email..dean_exam@du.ac.in) by e-mail within 1 day with valid reason and associated documents.

The contact detail of the Nodal Officers for the Under Graduate Examinations are as follows:

1. Prof. D.N. Gupta

2. Prof. Ajit Kr. Mahapatro
