

JUNIOR COMBINATION ROOM (JCR) SOCIETY REPORT 2022-2023

The Current JCR Council got elected after 3 years on 17th October 2022 and started functioning after 3 years. The main events held for this academic year are, Diwali Celebrations, JCR CUP and HOLI Celebrations.

DIWALI CELEBRATIONS 2022

Diwali celebrations began on campus on the morning of the auspicious day. An inter-block rangoli competition marked the beginning of the celebrations. In this competition, a team from each of the six residence blocks took part, and made splendid rangolis that adorned the path between the JCR building and JCR ground on the said day. This competition was followed by a brief break for junior members to freshen up so that they could then come and enjoy the special Diwali lunch, served in the college mess. The Diwali lunch was full of delicious delicacies that the junior members relished. Post lunch, junior members leisurely walked towards the college hall to take part in the screening of a Hollywood murder-mystery movie. By the end of the movie screening, it was evening already and junior members rushed to their blocks, excited to get ready before the evening Diwali celebrations began. In the evening, while the sky was dark, fairy lights adorned the building and area around the Junior Combination Room. Diyas (traditional oil lamps) were lit all over campus and flower garlands adorned the inside of the JCR, which was being prepped for a pooja. Food stalls embellished the JCR grounds. After the pooja, there was a brief but dreamy lantern festival that added an ethereal glow to the celebrations. To add to the vibe, cultural performances were scheduled, post which the evening turned into one, filled with music, fun and frolic. It was an evening to remember, indeed!
