SOCIETY INTRODUCTION:

With a rich legacy of over 65 years, the Sanskrit Sahitya Sabha is one of the oldest societies of the college.

The SSS is the Sanskrit literary society dedicated to the exploration and celebration of the rich heritage of Sanskrit literature. The societal activities foster the holistic development of the students including academic development as well.

The Sanskrit Sahitya Sabha follows the motto “परस्परं भावयन्तः श्रेयः परमवाप्स्यथ” which means that the society strongly believes that through helping each other, success can be achieved together. Therefore, not only the council but all society members are dedicated to all societal activities.

The SSS serves as a platform for a multitude of discussions, workshops and events that delve into the realms of poetry, prose, drama, philosophy and much more.
